CAREER OBJECTIVE

Motivated 3rd-year Computer Science student at Mehran University of Engineering & Technology (CGPA: 3.0/4.0) seeking a summer internship opportunity to apply programming knowledge in a real-world environment. Eager to contribute to software development projects while gaining hands-on industry experience.

EDUCATION

Bachelor of Science in Computer Science | Mehran University of Engineering & Technology, Jamshoro | 2023 – 2027 (Expected)

CGPA: 3.0 / 4.0

- Studied computer architecture, operating systems, and hardware-software interaction
- Developed programming skills in C++, Java (OOP), and Python
- Learned database fundamentals, data structures, and algorithms
- Completed coursework in Assembly Language and computer organization

PROJECTS

Student Record Management System | University Project | 2024

- Built a console-based C++ application to manage student data using OOP principles
- Implemented features for adding, searching, updating, and deleting student records
- Applied file handling to store and retrieve data persistently

Personal Portfolio Website | Self Project | 2024

- Designed and built a responsive personal portfolio using HTML, CSS, and JavaScript
- Showcased academic projects, skills, and contact information

AI Study Notes | Self Project | 2024

- Curated and published AI study notes on GitHub: github.com/akshayukrani24/Ai-study-Notes
- Shared resources via Google Drive: share.google/TG1J7RwyUJWlqrte

Basic Python Automation Scripts | Self Project | 2024

- Wrote Python scripts to automate repetitive tasks such as file organization and data parsing
- Used Python libraries including os, shutil, and csv for file handling

TECHNICAL SKILLS

Programming Languages: C++, Java (OOP), Python

Web Technologies: HTML, CSS, JavaScript

Core Concepts: Object-Oriented Programming, Data Structures, Algorithms, Problem Solving

Tools & Others: Git, GitHub, VS Code, Dev C++, Basic Linux Commands

Assembly Language: Basic (8086 Architecture)

SOFT SKILLS

- Strong written and verbal communication in English and Urdu
- Self-motivated with the ability to learn new technologies quickly
- Team player with good interpersonal and collaboration skills

- Strong analytical and problem-solving mindset

LANGUAGES

English: Proficient

Urdu: Native
